Basis for Opinion

I have conducted my audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on the financial statements

Emphasis of Matters

- a) The company had granted unsecured loan of Rs. 300 lacs to a group company which has ceased to be going concern and it is doubtful of recovery, however in the opinion of management the same is good for recovery being a loan given to company within group.

(Refer Note No.33 of Notes forming part of accounts)

Information other than the financial statements and Auditors report thereon ('Other information')

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report thereon.

My Opinion on the financial statements does not cover the information and I do not express any form of assurance or conclusions thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of the other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance) changes in equity and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Ind As specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014. Auditor's Responsibility for the audit of the financial statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that include my opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
